Steve Latragna opened the meeting at 7:23pm. Held at the Nutcracker, he started the meeting with the Pledge of Allegiance.

There was a moment of silence for Ken Maiuri who will always be with us. Sarah said Kenny invited her to the Garlic Fest...first event she went to with our group.

Old Business

It was a nice ride to Breakfast at the American Legion in Spencerport. Thanks Nelson for leading the ride. Good food and plenty of it!

The Red Cross Blood Drive at Cycle Stop.

D&B Breast Cancer Run. Too early to know the results of the ride from Lindsay yet.

The Nutcracker - everyone liked it and we will set up it up to have our meeting there next month.

Mike spoke about rally and the reviews were not good. Stuff was spread out and not enough going on at the rally site. The rides were gorgeous! Those staying at the host hotel enjoyed their stay. The 2016 HOG Rally will be at Alex Bay with the Bonnie Castle Hotel as the host hotel. It has been remodeled and has 150 rooms. Act quickly if you want to stay at that hotel.

Cycle Stop hosted another American Red Cross blood drive on Saturday, August 15 from 10am until 2pm. Ladies of Harley provided home-baked goodies for the donors (most of whom were Rochester HOG club members and Cycle Stop employees). Collected that day were 8 pints of whole blood and 3 double red donations. An interesting fact that will show you the true impact of this drive is that the whole blood donations were collected in triple bags, eventually separated into red cells, platelets, and plasma. Therefore if you do the math, 30 individuals were helped by the products collected after being manufactured to the fullest! Not bad for a 4 hour span of time!

Our next drive will be Saturday, December 19, 2015 from 10am to 2pm. Consider giving someone a really special Christmas present this year by giving the gift of life!

Rochester woman killed in crash

State police say a 47-year-old Rochester woman has died after her motorcycle collided with a minivan on a central New York road.

Troopers say Bonnie Petrotta and 38-year-old Mark Northrup, also of Rochester, were riding their motorcycles late Sunday morning in Jefferson County when they approached the entrance to Southwick Beach State Park in the town of Ellensburg, on Lake Ontario's eastern end 50 miles north of Syracuse.

Police say 18-year-old Christopher M. Waters of Camillus, Onondaga County, was driving the minivan and pulled into the intersection and into the path of the motorcycles. Petrotta's motorcycle hit the minivan and she was ejected from her bike. Northrup's bike glanced off the minivan.

Petrotta was taken to the hospital in nearby Watertown, where she was pronounced dead. Northrup was treated for non-life-threatening injuries.

The teen was charged with failure to yield the right of way.
